Dear Associate:

We thank you for your interest in participating in our Association. Besides the information and education we provide, we offer many social and networking opportunities.

Included are several choices for you. We have the option of Associate Sponsorship! It is a great success and we are hoping you will join us! We are offering a Premium level for full involvement and a Regular level. Please consider them; they are a great source of involvement! We hope you will take advantage of them!

If you choose not to take participate in the sponsorship program, we would still be pleased to welcome you as an associate member of ACCA Greater Cleveland, and/or advertise in our newsletter if you would like.

Greater Cleveland ACCA is a local association of a National and State organization. If you would be interested in information on either of these, PLEASE contact Greater Cleveland ACCA offices.
